NEW YORK, NY – September 30, 2002. Vintage Legal LLC, a 100% minority and woman owned attorney recruitment firm, is pleased to announce its certification by the NY/NJ Minority Purchasing Council, Inc. as a Minority Business Enterprise. Vintage Legal has satisfied all criteria for certification with the National Minority Supplier Development Council.

Founded in 2000 by Karen Anderson, Esq., Vintage Legal LLC places attorneys in permanent positions at premier law firms and corporations worldwide. Ms. Anderson is a Cornell Law School graduate who practiced at the U.S. Securities & Exchange Commission and two AmLaw 100 international law firms.

The mission of Vintage Legal – to provide its clients with the most highly qualified and diverse group of attorney candidates – has propelled the company’s rapid growth. Vintage Legal’s client roster includes Fortune 100 companies, the world’s largest financial institutions, top tier law firms, entertainment and media conglomerates and pharmaceutical and biotechnology companies.

Earlier this month, Vintage Legal was selected as a national finalist for Hispanic Business Magazine’s “Rising Star” Award.
